The Stop-it-All range

If you want almost unbelievable results in [REDACTED] and then [REDACTED] Mud-R[REDACTED] from returning, the fully Trialed & 100% natural Stop-it-All oil and [REDACTED] shampoo should not be overlooked. The success rate during the Trial was above 90%!

The fact the products also proved hugely effective for 17 other common issues including Rain-s[REDACTED], [REDACTED]h, Mites, repelling flies, mossies & clegs, for fast [REDACTED] wounds and [REDACTED] issues etc., just adds to owners' shock and surprise. For instance, they offered [REDACTED] of S[REDACTED]h sufferers and 95% of fly/bug cases. Sounds too good to be true? Maybe, but looking at the website's long list of exuberant testimonials offers peace of mind to even the most sceptical of us buyers that Stop-it-All is gentle, extremely versatile and highly effective. With a special price of just £8.99 for the oil or £19.49 (+P&P) for a Starter Pack (when you mention Equestrian Life), there seem at least 18 reasons to check it out!
