Subject: hello and thank you

I was told about your product from a friend, as my rat has been suffering from **skin [REDACTED] [challenges]** for months. He's been to the **vets so many times** trying different **mite [REDACTED] [products]** plus having to go on [REDACTED] and [REDACTED] [*itch suppression products*] as his skin was **so bad**. When he scratched, which was all the time he would **pull chunks of fur out** and the dead skin would be every where. He **hasn't allowed** any body to **stroke him** since this has all started as it must of been **driving him insane**.

I bought the Ruggleit shampoo, salve and the biokult as due to the itching he's very thin. We used it as soon as it came, ok he sqweaked a lot, as he didnt like full baths but its what he needed.

But **once the bath was over and the salve was on**, he seemed to **calm down**, not the hyper little boy we are used to, he even **allowed me to stroke him** and **he fell asleep** :) We've been doing this as the sheet says. were on the second week and were still doing it every other day as he was pretty bad.

I also had [REDACTED] [*skin issues*] all over my **hand** which it has **also helped a lot**, my skin was literally falling off my hands, now you can **hardly see anything**, and all that from bathing my little boy.

Thank you so much, **he's liking his baths now**, as he knows he's getting better. **Your product's amazing**, I've attached pictures of Coco the rat, before and as he is today.

Many thanks to **Mr and Mrs Bradley-S', West Midlands** for taking the time to write this feedback.
