Meet Bonkita. This little donkey foal was abandoned and left at our refuge in Marrakech, Morocco. No one came back to reclaim her and so she is now a permanent resident and friend to all the children that come to visit our Education Centre at the refuge.

Many thanks to **Mrs Forret (and Maisie)** for taking the time to write this feedback.

**Note:** Whilst we are hugely grateful for all the telephone feedbacks we receive on our products, only ones received in writing will be included on this web or any PR...so that readers have peace of mind that we're not making this up. All quoted testimonials can be viewed at our office if required!
