Hi karen!

Just spoke to my mum, this is what she said to me for the Revitavlex...

**My Mum is thrilled with the results..her ankle has never been better, So glad she gave it a try!**

My Mum's Comments,

*"I felt that the Revitaflex **definitely helped.***

*I have Rheumatoid Arthritis – **they eased my ankle joint which has been playing up for 4 years!!***

*( Found it hard to walk on it in the morning's after gardening etc, Physiotherapy helped a little but it soon came back).*

*Have been a **lot more comfortable and have had no need for a ankle support.***

*On the whole feel a **lot more supple** and noticed a **improvement in my hands/wrists/fingers** which often swell up.*

*Will be ordering again, marked improvements. Much more than straight [REDACTED] [OFFICE: other high profile joint products]. Tried a joint drink which did not help as much as these..*

*I tried on my daughters recommendation [OFFICE – Mrs Simms' daughter uses Ruggle-it, probiotics & OM3 fish oils for dogs/cats] ... **don't normally try things, so glad I did!***

*Plus nice and **easy to swallow**" Mrs Elaine Simms (Isle Of Wight)*
