Good morning Karen

Hope you are well and keeping busy.

Please supply

1 x 700g Protexin [*Equine Gut Balancer*]

1 x Green Lipped Mussel [*Maxavita Pernamax Equine*] as per my usual order.

Protexin has certainly kept my two old girls (Whisper and Maisie) going against all odds. They do so well on Protexin.

I have used many supplements over the years that I have had my own horses and other people's horses who have been liveried with me.

But, having found Protexin, I've found THE BEST and ditched the rest!

It was recommended to me by Nina Venables many years ago now, and I haven't looked back.
