*Stop-it-All* in the Horse & Pet Showing News  
 "Show Stopper"

# Show Stopper with *Stop-it-All*

Showing and event preparation for horses and dogs demands frequent cleaning. But did you know that the majority of today's shampoos contain some pretty scary chemicals that are used as car garage floor cleaners (to strip off the oil/grease) and/or to deliberately agitate skin as part of cosmetic skin product trials? So simply by washing an animal's coat you may be inadvertently drying it out or at the worst irritating it.

Stop-it-All's Natural products are guaranteed to be gentle, but this doesn't mean they're a pushover when it comes to delivering superb results!

With an oil and shampoo you get not only dazzling and tangibly soft coats to match any champion, but they can be used also to treat 18 different health and skin issues as well as mixing them with lashings of water to make up a demon fly-spray. A whole new meaning to versatile...and kind on the pocket!

The **Medicated** Shampoo is free of harsh chemicals and Tea Tree which research indicates may well be causing many skin reactions. The Paraben and Sodium Lauryl Sulfate families of

chemicals are known skin irritants and yet are found in nearly every shampoo on the market...be that animal, human and even baby products.

Stop-it-All products are so gentle they can be used daily on nearly any living creature over 8 weeks old including babies, lambs, foals and puppies.

The Stop-it-All oil is a 100% natural vegetable oil mixture that has been extensively trialed and proven very effective on many equine, farm, pet and human issues including Scurfy & Itchy skin, Flies & Midges, **Minor**

**wounds, summer itching, muddy situations, fungus**

**Hair Loss, Hot, Human skin**

And when diluted with water, the oil and shampoo make a highly effective, low-cost and safe fly spray for both horse and rider. So with just two products (and a little water!), your 'toolbox' is fully armed for nearly every 'summer' or 'winter' requirement...

So don't delay...clean and

protect gently yet still outshine everyone else around you! And even better news, when you place your first order, just mention this publication and you'll be entitled to discounts, with prices starting from £8.99 a bottle or £19.49 + P&P for a Starter Pack of oil and shampoo.

For more information see [www.stop-it-all.co.uk](http://www.stop-it-all.co.uk) or call the Helpdesk on 01823 259952.

Many thanks to **Equine, Canine & Country Life** magazine for their interest.
