## Swap Your Ripped Rugs For Ruggle-it!

Sick of finding your horse's expensive fly rug ripped by his frantic rubbing and rolling to try and stop the itchiness?

Why not try Ruggle-it? It can save you a fortune...naturally!

A Ruggle-it Starter Pack consists of 1 x Ruggle-it Soap-free Specialist Shampoo and 1 x Ruggle-it 100% Natural Vegetable Oil. It's genuinely natural, contains no harsh chemicals or Tea Tree, and proves time after time to be extremely effective in repelling flies, bugs and midges as well as soothing itchy areas.

Give your horse a cooling bath with the special shampoo, then apply a fly spray by diluting your Ruggle-it Oil with tap water and a dash of the shampoo. You can also spray it around the stable rafters. By following the detailed but simple application notes, results can be astounding for even the most extreme of cases.

Sound too simple? See the massive amount of detailed website testimonials and how easy it can be to banish and manage bugs naturally without rugs!

Recession Beater. Did you know that Ruggle-it can also help with at least 18 different issues affecting your horse, pets and family including mites, unidentified itching, hair loss, scabs and mud issues, itchy pets, head lice and even challenged human skin?
