Thank you for the bottles of oil and shampoo that you have sent to Laraine K for me. I will recommend your product to others as I have used it for many things:-

1) Leg mites on Cleveland Bay – cant say it worked completely as he had had two different treatments from the vet – but he is fine now.

2) [Muddy Environments and my horse – now not an issue] – used it at first sign [REDACTED]

3) My parent's Labrador had a [REDACTED] [crusty lump] type thing on his paw, which wouldn't heal & he kept licking it – tried your products and it went within a week

4) My Labrador occasionally chews his front paws until they are red raw – tried your products and he has stopped

5) And finally, I am a cold sore sufferer and **have tried everything** – so tried your oil and it did ease the cold sores and speed up healing, the worst bit is putting the 'smell' on your face!!!

You may use any of these comments on your marketing literature if you wish. Thanks again.
