Dear Karen,

Yes, indeed I did refer Sophie!

As the weather has been so warm, I have just **washed my hens and donkeys with your shampoo and they all look fantastic**. Since I washed the **hens** last year, they **have remained mite free**, and I **sprayed the henhouse with the shampoo and oil mixture**. ["DIL"] It also was **mite free**.

The **sheep** have also been **free from fly strike** although they were a bit fed up with me spraying them - luckily there are only three and they are very tame!

I will be in touch soon with my next order.

Best wishes,

Rosemary
