Hi Karen,

Unfortunately my old email address failed and I haven't been able to get back into it. I shall continue to tell everyone about how **brilliant** I have found your products both in effect **timeless and value for money!**

Please let me know how best to go about ordering. I'm finally out of everything but the **products lasted fantastically well** and **saved me a fortune!**

I tend to convert most people to the product and only those who are a bit too lazy to mix it up don't try it! Lol **I do bulk mixes [of Ruggle-it diluted oil "DIL"] and it lasts aaaages that way.**

Evie is **terribly sensitive to bites, ending up with [REDACTED] [issue with major swelling]** from a bite on her heel.....only place not drenched in ruggle-it last year! Needless to say her feet will be plastered this coming fly season ☺

Cheers  
Alex Davis
