Hi Karen,

Thought it was about time I wrote the testimonial I've been promising for ages !

The Ruggle-it oil and shampoo is utterly fantastic !

I have tried it on so many things I'll try to remember them all:

- My lamb that was suffering terribly with scour was kept very clean and sore free with the shampoo.
- My kids had been fighting the dreaded nits for months on & off, the chemicals in over the counter remedies are [REDACTED] [very strong] & they only worked short term - I used the Ruggle-it oil JUST ONCE and the nits disappeared! Now the kids wash their hair in the medicated shampoo and not a problem since.
- As the shampoo is so gentle and I have very long thick hair, I also routinely use the shampoo as it is chemical free so doesn't strip my hair of natural oils, plus I use the oil as a once weekly deep conditioner.
- The oil & shampoo added to water is a really good fly spray, in fact my gypsy horse will try to take the bottle out my hand to eat it, he will sniff the air all around him and I can even spray over his face!!
- Being a hairy, apple bummed kind of guy, he is also prone to mites & [REDACTED] [fungus](the water sits in his spinal channel), the shampoo followed by the oil is wonderful at [REDACTED] [helping] these.
- My little mare is on box rest [REDACTED] as the weather is so hot, I mist all over the stable with the fly spray mixture, which is great at keeping the flies away.
- I also use the hand made soaps and find them gorgeous to use, they have also helped in a big way with my sons [REDACTED] [spottiness]

Can't think of any other uses I have at present but will let you know if I do !

With regards & many thanks
