Dear Mr Benton & Mrs Wood

**Feedback – can you help us please?**

Whatever we might say about our products is really just an irrelevance as we might be selling fridges to Eskimos! What 'real life' users say in writing and/or on Forums is what **really** matters & can often help give others **confidence** in our unusual approach to 'good health'. Might you kindly complete the following & return it in the enclosed SAE?

- Which products have you used e.g. Ruggle-it, Protexin Probiotics, Maxavita Green Lipped Mussel (Pernamax or Revitaflex), Pillules, Green Barley Grass, Flaxseed oil, OM3-rich Salmon products, natural Skincare, other?

- Did you use them on dogs, cats, other pets, horses, alpacas, farm animals, chickens, children, yourself, etc?

Finally, would you consider allowing us to use your feedback/photos for our website and/or within some PR? We fully understand if you'd rather not and/or rather leave it for a little while longer...but we hope you won't mind us asking all the same. If it's OK to use it, please advise whether to use your full name & town, or just initials & town (or any other variant!). \*(This form is for internal purpose only; permission is always sought before any comments are quoted.)

**Thank you very much.**  
We greatly appreciate the time you've kindly taken to help us.
