Hi Karen,

Well, what can I say?

Absolutely 'fan dab ee dosey'. Actually, even that is an understatement!

I have now worked out the formulae for the 'bug' spray and I can say '**without a word of a lie**' that when I have been to collect Harry from the field he has not had **ONE SINGLE FLY** on him.

While out riding he IS better but is still anticipating the landing of those 'nasty bugs'. However, it's only been a few days and I AM awaiting in anticipation for him to get the message!!! [*inside 3 weeks he no longer stressed about bugs*]

Harry went really well at Stockland Lovell BE and we just missed out on the ribbons. Next outing is at Pontispool BE on Sunday 25th.

Sandra and Harry

Many thanks to **Mrs Betts (and 'Harry the Arab' BE Eventer)** for taking the time to write this feedback.
