**Subject:** Thank you

I would just like to thank you so much for helping me and my Friesian Mare Ali

Ali has always had problems with **scabby lower legs and behind her knees**, all prescribed creams and lotions did not work well, she needed to have her feathers clipped off to which I refused.

Ruggle-it shampoo and oil has completely sorted her problem - **no more scabby legs and she managed to keep her feathers.**

Ali had her best showing year possible in 2009 she **won Supreme in hand champion at The Royal London Show 2009 held at Peterborough as well as Overall Supreme Champion at the Amateur winter showing held at Keysoe Bedfordshire 2009.** She'll be back on the showing circuit in 2011 again.

I have also used Ruggle-it recently on myself. **I had very sore eye lids** which started when I used a different eye make remover, I tried many creams and took a chance on Ruggle-it - **it worked within three days I really could not believe it.**

Thank You
