Thanks Karen...**Fantastic product , best fly repellent ever,**

I am using it on 1) [REDACTED] [summer itching] Suffolk George as I am permitted under the trial he is on to use fly repellent, 2) my cob Aussie is no longer itching/stamping and 3) my other three horses Billy, Riley & Pete are very happy that **flies just keep on flying straight past.**

Finally a horse on my yard suffered **sunburn** and wouldn't allow his owner near his nose to apply cream etc. until I came near with the Ruggle-it oil smell on my hands after applying it to my boys.... **he loved the smell** and **allowed me to touch his face**, so I shared some with his owner to apply a tiny amount to her hands to enable her to tack up and apply cream to his nose etc. so yet another use!

Kind regards

Julie
