Dear *Mrs Sawbridge*

**Feedback – can you help us please?**

- Whatever we might say about our products is really just an irrelevance as we might be selling fridges to Eskimos!
- What 'real life' users say in writing and/or on Forums is what **really** matters & can often help give others **confidence** in our unusual approach to 'good health'\*
- Might you kindly complete the following & return it in the enclosed SAE?
- If you would prefer us not to use these words on our website but solely retain these comments on your file, then please **write on here** when you kindly return it.

1. Which products have you used e.g. *Ruggle-it, Protexin Probiotics, Maxavita Green Lipped Mussel (Pernamax or Revitaflex), Pillules, Green Barley Grass, OM3-rich Salmon products, natural Skincare, other?*
